

The 2018 Pinnacle Awards

Celebrating Innovation and Excellence

NOMINATION FORM

Name of Health Plan: _____

Title of Project: _____

Contact Person(s): _____

Address: _____ City: _____ Zip: _____

Phone: _____ Fax: _____ Email: _____

Name of person designated to receive award at the OAHP Annual Convention (if different from contact):

Name: _____

Address: _____ City: _____ Zip: _____

Phone: _____ Fax: _____ Email: _____

Narrative Description:

Please attach a narrative description, not to exceed 500 words, of the project you are nominating for consideration for a 2018 OAHP Pinnacle Award. Your summary should include the following:

- Describe how you identified the initiative/intervention and why it was beneficial to your membership or population of people.
- List the goals and objectives of your initiative/intervention. Please describe any research to support the design of your initiative/intervention.
- Describe how you evaluated your initiative/intervention. If you collected data, be sure to describe how that was done and how it was analyzed.
- Describe the expected outcomes and actual outcomes.
- Be sure to include what managed care precepts you enlisted in your project, such as preventive services, care management, disease management, improving the health of the plan members, evidence-based medicine, etc.

50 Word Summary:

Please submit a 50 word summary electronically or on paper of each project entered into competition for the OAHP Best Practices database.

Submission Entries:

All submission entries are required to be submitted electronically in PDF format. In addition, though hardcopies are not a prerequisite, you may also submit 7 hardcopies of each entry, one for each judge and one for the OAHP files.

Annual Convention & Trade Show Poster Boards:

- The annual convention will provide each plan an opportunity to display a poster board for each of its entries. This allows the health plans an opportunity to see what others were doing and to engage colleagues in discussions about various projects.
- We will set up the exhibition on Wednesday morning. The exhibition will end after lunch.
- All poster boards should include the title, the health plan name and the award category applied for. How you put it together and what you choose to include is your preference.
- You will be responsible for bringing the poster boards to the conference and removing them at the conclusion of the convention and may provide them to the OAHP registration desk.

Deadline for applications is Friday, April 6, 2018
