

Partnering to improve the health of Ohioans

4,000

Children in Ohio helped by the Imagination Library through a grant **funded by Aetna**.

95

Practitioners across 21 counties in southeast Ohio learning more about diabetes care and weight management through Ohio University's Project ECHO, funded and **supported by Buckeye Health Plan**.

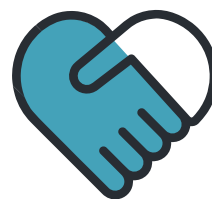

100

Pregnant Medicaid members in central Ohio supported by a **partnership** between **CareSource** and CelebrateOne to improve birth outcomes through the Healthy Beginnings at Home program.

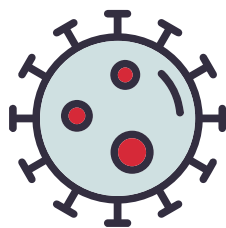

30

Counties in southeast Ohio covered by a **partnership** between **Molina Healthcare** and Corporation for Ohio Appalachian Development (COAD) to address childcare center lead abatement.

STOP COVID

A program **created by United Healthcare** and local partners to provide free COVID-19 testing, food boxes and PPE supplies in underserved communities in Cleveland.

16,000

COVID-19 supply kits distributed statewide by **Paramount employees** during the pandemic.

It's what we do

OHIO'S MEDICAID
MANAGED CARE PLANS
