Narrative Description:

Please attach a narrative description, not to exceed 500 words, of the project you are nominating for consideration for a 2021 OAHP Pinnacle Award. Your summary should include the following:

- Describe how you identified the initiative/intervention and why it was beneficial to your membership or population of people.
- List the goals and objectives of your initiative/intervention. Please describe any research to support the design of your initiative/intervention.
- Describe how you evaluated your initiative/intervention. If you collected data, be sure to describe how that was done and how it was analyzed.
- Describe the expected outcomes and actual outcomes.
- Be sure to include what managed care precepts you enlisted in your project, such as preventive services, care management, disease management, improving the health of the plan members, evidence-based medicine, etc.

50 Word Summary:

Please submit a 50 word summary electronically or on paper of each project entered into competition for the OAHP Best Practices database.

Submission Entries:

All submission entries are required to be submitted **electronically** in PDF format.

Annual Convention & Trade Show Poster Boards:

- The annual convention will provide each plan an opportunity to display a poster board for each of its entries. This enables health plans and participants the opportunity to preview these innovations and to engage colleagues in discussions about various projects.
- OAHP will set up the exhibition prior to the awards ceremony and will end at the conclusion of the ceremony.
- All poster boards should include the title, the health plan name and the award category applied for. How you choose to display the content and the information to be included is your preference.
- You will be responsible for bringing the poster boards to the conference **and removing them at the conclusion of the convention.** All poster boards should be provided to the OAHP registration desk.

Deadline for applications is Friday, August 6, 2021
