

2022 Pinnacle Awards Celebrating Innovation and Excellence

NOMINATION FORM

Name of Health Plan: _____

Title of Project: _____

Contact Person(s): _____

Address: _____ City: _____ Zip: _____

Phone: _____ Email: _____

Name of person designated to receive award at the OAHP Annual Convention (if different from contact):

Name: _____ Email: _____

Narrative Description:

Please attach a narrative description, not to exceed 500 words of the project you are nominating for consideration for a 2022 OAHP Pinnacle Award. Your summary should include the following:

- Describe how you identified the initiative/intervention and why it was beneficial to your membership or population of people.
- List the goals and objectives of your initiative/intervention. Please describe any research to support the design of your initiative/intervention.
- Describe how you evaluated your initiative/intervention. If you collected data, be sure to describe how that was done and how it was analyzed.
- Describe the expected outcomes and actual outcomes.
- Be sure to include what managed care precepts you enlisted in your project, such as preventive services, care management, disease management, improving the health of the plan members, evidence-based medicine, etc.

50-Word Summary:

Please submit a 50-word summary electronically or on paper of each project entered into competition for the OAHP Best Practices database.

Submission Entries:

All submission entries are required to be submitted **electronically** in PDF format.

Deadline for applications is Friday, August 5, 2022
